Re: Proposed annexation to the
City of Hawthorne
"Morris Annexation No. 3"
(Detachment from Inglewood)

Dear Sir:

At the meeting held on August 31, 1955, the County Boundary Commission reviewed the boundary description and map submitted on August 18, 1955, by Kyle Forrest, City Engineer, Hawthorne, for the above proposed annexation to the City of Hawthorne.

The Acting County Engineer called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no change in the location of the boundaries shown on your maps.

The County Boundary Commission approved the boundary description submitted by you and the alternate description recommended by the Acting County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

Secretary

"Morris Annexation No. 3"(Detachment from Inglewood)

Pursuant to your request of August 23 regarding the proposed "Morris Annexation No. 3" to the City of Hawthorne we have reviewed the legal description of the boundaries submitted by the City and find that, although the description can be approved by the Commission as to definiteness and certainty in accordance with the provisions of Section 35002 of the Government Code, certain minor changes are desirable to clarify and perfect some of the references.

Therefore, we have prepared the enclosed revised description of boundaries, which we recommend that the Commission approve as an alternate recommended description and forward to the City of Hawthorne.

A map showing this proposed annexation, and all original papers regarding this matter are enclosed.

Yours very truly,
